Lecturer, Dept. of Management Studies
It was an eye-opening experience for me to attend MBA Programme. It fulfilled and exceeded my expectations from learning here. I have changed a great deal in “a positive way” over the course of a year. This programme has brought me out of my comfort zone and made me proficient in many areas like management, social networking and leadership. Every single moment at MBA Programme is valuable and precious. I believe joining this programme is a great decision I have ever made.
